CMS Quarterly Compliance Newsletter has featured more than seven specific J Codes highlighting compliance issues as well as audits on chemotherapy administration, oral medications, dose vs. units and other key pharmacy drug issues. Chargemaster, HCPCS drug units and updates, and pricing are all complex issues to monitor. We will focus on assisting you with identifying high risk areas to include in your routine auditing to avoid Comprehensive Error Rate Testing (CERT), Zone Program Integrity Contractors (ZPIC), Recovery Audit Contractors (RAC) and Medicare Administrative Contractors (MAC) audits.

**Target Audience:** CEO, COO, CFO, CNO, CMO, Pharmacy Leadership and Staff, Nursing, Clinical, Oncology Staff involved with Coding, All Coding, Billing and Claims Transaction Staff, and Patient Financial Management Personnel
