# Kentucky Small Rural and Critical Access Hospitals

## ABOUT THIS CONFERENCE

Kentucky Hospital Association and our Kentucky Hospital Education Foundation is pleased to continually provide the opportunity for critical access hospital (CAH) CEOs, CFOs, and other financial leaders to network and discuss important financial. KHA shares the goal with the Kentucky Office of Rural Health to provide education, resources and the opportunity for CAHs to collaborate in the collective effort to strengthen our rural health network and sustain access to quality health care services. This effort is supported through the Rural Hospital Flexibility Program – a federal grant to support CAHs. ***\*This conference is being held in conjunction with the KORH Annual Rural Health Clinic Conference taking place on June 7, 2019.***

## SPEAKERS

Stroudwater Associates is a national consulting firm based in Portland, Maine. Greg Wolf and Jonathan Pantenburg are consultants with Stroudwater Associates and have worked with Kentucky CAHs in recent years on access to primary care, rural health clinic development, financial indicators, and swing bed programs.

## SPECIAL NEEDS

KHA wishes to take all steps necessary to ensure that no individual with a disability is excluded, denied services, segregated or other-wise treated differently than other individuals because of the absence of auxiliary aids and services. If you need any such assistance or services, please contact KHA at (502) 426-6220.
